

YOU ARE THE HEART OF THIS CAMP'S MINISTRY.

We're working with dozens of other UMCRM camps to understand the impact of a summer on camp staff, and we need your perspective.

Welcome to summer staff! This summer, we are one of dozens of United Methodist camps participating in a research project to take a deeper look at the impact of serving on summer camp staff.

Most respondents will complete the survey in 7-10 minutes. The survey includes some personal questions. Those who complete both this survey and the one at the end of the summer will be entered for a chance to win an Amazon gift card. We ask for an email address at the end solely to send the follow-up survey and distribute the rewards. It will not be used for any other purposes. Your email will not be connected to your response, and you can choose to omit it.
